The following *non-exhaustive* list is meant to be an initial resource for those interested in learning more about and/or connecting with these faith communities. Please see endnotes for information on compilation and on making corrections/additions.

DU's own University Chaplain's office is also a resource for students, staff and faculty; and can provide information on various University-serving faith communities. See [www.du.edu/studentlife/religiouslife](http://www.du.edu/studentlife/religiouslife)
