

Gay, Lesbian, Bisexual, Transgender, Queer Studies Minor

MONTCLAIR STATE UNIVERSITY

Undergraduate 2013 Catalog

The minor in LGBTQ Studies is an interdisciplinary program of study at Montclair State University. Our 18 semester-hour minor is designed for students to critically examine and creatively explore the construction and maintenance of gendered identities, sexualities, and related discourses and practices, in a variety of contexts. Students will study academic and activist scholarship that describes, analyzes, interprets and critiques a diversity of gendered and sexual identities, communities, institutions, and representations; they will also analyze materials and events from popular culture and socio-political policy and action. Each student should consult with the minor's Program Coordinator, [Gilbert Zicklin](#), to work out a suitable course of study to meet the minor's requirements.
